Assessment Fees + Process

✔ ***Transparent Fees*** – *All fees are clearly outlined in advance. No hidden or surprise charges.*
✔ ***Authorized Service*** – *Psychological assessments are a controlled act and are conducted only by authorized healthcare providers.*
✔ ***Report Timelines*** – *Final reports are typically completed within 15 business days after the last assessment session.*
✔ ***Thorough Process*** – *Extraction and interpretation of test results is a careful and detailed process to ensure accuracy and validity.*
✔ ***Value of Assessment*** – *A comprehensive assessment helps identify both strengths and areas of challenge, providing a foundation to advocate for appropriate supports, treatment, or accommodations.*
✔ ***Included in All Assessments*** – *When clinically appropriate:*

- *Communicated diagnosis*
- *Evidence-based treatment recommendations*
- *Next steps for supports + resources*
- *A 10–20 minute feedback meeting (scheduled as per the Dr's availability)*
